

The image features three large, vibrant pink hollyhock flowers arranged vertically. Each flower has a distinct yellow center and delicate, layered petals. The background is a soft-focus green, suggesting foliage, which makes the flowers stand out. The text 'KALENDARZ' is written in a large, white, serif font across the top of the flowers, and '2023' is written in a similar font below it, centered over the middle flower.

KALENDARZ

2023
